Management

Residential Preparedness Tips

PROPERTY PREP

INSURE

- Update your coverage
- Ensure digital/physical paperwork is backed up
- Take photos of your property before disaster
- Keep copies of insurance docs

SECURE

- Secure windows with glass/shutter system
- Trim tree limbs in surrounding area
- Use sandbags to keep water out
- Raise all electrical items above base flood elevation

Insurance Industry Preparedness Tips

FLOOD INSURANCE CHECK

INSURANCE IS THE FIRST LINE OF DEFENSE FOR FAMILIES & BUSINESSES AGAINST HURRICANE DAMAGES.

- ✓ Check home & business insurance coverages annually
- ✓ Consider purchasing flood insurance now – policies can take up to 30 days to take effect
- ✓ Take extensive photos of the property for insurance providers to compare to damage photos
